\$28

6.3" deep x 3" high

This year, Belleek is introducing The Trinity Knot Bowl as the featured piece for the signing.

New to Belleek, this bowl has been inspired by ancient Celtic knot artwork. The twists and turns of the Celtic knot symbolizes the timeless nature of the human spirit. With no beginning and no end, this intricate decoration is a sign of eternal life and never ending love. It is also the Christian symbol for the Holy Trinity: God the Father, Son, and Holy Spirit. The Trinity Knot can also represent the Spirit, Mind, and Soul.

The perfect hostess gift, Christmas gift, birthday gift, house warming gift, engagement, wedding or anniversary gift, this practical bowl can be used for candy, potpourris, as a serving dish, or used as a lovely decoration for a home.

Don't let your table look bleak, make it unforgettable this holiday with this Belleek Trinity Knot Bowl! Serve up some happiness, comfort, joy, and memories with this personalized piece.
